September 2022

Dear Class of 2023 Students and Families,

On October 11th and 12th all senior students will participate in the California College Application and Success Campaign. This event is possible due to the collaborative efforts of the administration, faculty, and staff at San Juan Hills High School, as well as students, their families, and volunteers across the community.

The purpose of this day is to acquaint students with the college application process and to communicate the importance of completing an application (4 year, community, trade/technical/art school or financial aid). Information about completing the Free Application for Federal Student Aid (FAFSA) or Dream Act will also be made available during the event. There is a College Application Worksheet attached to this letter which we encourage students to complete prior to the event. Having this worksheet completed and available at the College Application event will allow students to quickly and easily complete college applications.

We anticipate that students and their families will need to work together in gathering the information listed in the College Application Worksheet. Students will be participating during their History/Social Science class during one of the two days.

If you know of any local businesses that would like to support this campaign, please have them reach out to Raylen Andersen at raandersen@capousd.org. Thank you in advance for your support of this exciting campaign to encourage all San Juan Hills students to make college a part of their future.

If you have any questions please call Raylen Andersen at (949) 234-5997.

Sincerely,

Alexandra Easton
Assistant Principal of Guidance

College Application Worksheet

Instructions: Students, complete this College Application Worksheet and bring it with you on the day of your school's College Application event (For SJHHS - Oct. 11th & 12th). You may need to ask your family, school counselor, or another adult you trust to assist you in answering all of the questions. **Be sure to keep this information in a safe place given the personal information included.**

Top Three Colleges and Universities you Plan to Submit an Application

Prior to participating in your school's College Application program, you should do some research on the schools to which you plan to apply. Use the worksheet below to keep track of the information you learn during your research on your top three colleges and universities.

It is **strongly recommended** that you write your essays and personal statements well in advance of your school's College Application event. Your English teacher, school Counselor, CUSD Futureology Counselors and other adults you trust are good resources to assist you in getting your essays to a final version. You should bring a final, proofed, electronic copy of your essays and/or personal statements on a flash drive or saved to your Google account to be able to access during the event.

Test Scores

Many applications for college admission will request information related to tests that you have taken. Use the worksheet below to list the scores for tests you have already taken. If you have not yet taken the SAT or ACT and the school(s) you are applying to require them, speak with your school Counselor about upcoming test dates – you will need to take at least one of these college entrance exams soon! Most colleges will also require an “official” score that is sent by College Board (SAT scores) or ACT (ACT scores). Talk with your school Counselor about how to do this.

College Application Information

Many colleges will ask for information regarding your college plans. You may be asked what subject area you intend to major in and for which term you are applying. Be sure to do research prior to your school's College Application event regarding whether the colleges you are interested in have the major you want to study. If you do not know what you want to study, that's okay! You can work with your school counselor while you are still in high school to do career exploration. ACT Profile (www.act.org/profile) provides personalized college and career exploration to help. There will also be resources on college campus to assist with this as well. If you don't know the subject area in which you want to major, you can likely apply with "undecided," but do your research before the College Application event to make sure that is an option at the schools to which you plan to apply. Regardless, you can also change your major once you are enrolled in college too.
